VICTORIA'S TOP-PERFORMING CLUBS CROWNED AT 2026 CCV GALA AWARDS

Excellence was celebrated at the 2026 Community Clubs Victoria (CCV) Gala Awards on Saturday evening as Victoria's leading community clubs took centre stage.

Following a record-breaking number of nominations, more than 400 club managers, staff, industry stakeholders, venue representatives, and community leaders gathered at the Park Hyatt for the industry's annual night of nights.

The event showcased the individuals and venues driving positive change across Victoria – recognising outstanding achievement in areas such as sustainability; hospitality; social impact; and wellbeing.

A major highlight of the evening was **Mulgrave Country Club** winning the Metro Community Club Award and **Bendigo District RSL** winning the Regional Community Club Award.

Nick Weaver from Maryborough Highland Society was recognised as Club Person of the Year, and **Jodie Faralla** from Ballarat Greyhound Racing Club was recognised as Club Manager of the Year.

CCV Chief Executive Officer, Charles D. Moon, noted that the evening's atmosphere reflected the significance of this year's Gala.

"At a time when many clubs continue to face challenges, it's more important than ever to celebrate the dedication, resilience, and positive impact our clubs and their incredible staff make on the communities they serve," Mr. Moon said.

"We are proud to once again shine a light on the outstanding work being done across Victoria."

"It's a privilege to honour those who strengthen our communities."
